SKS Dream

Official Policy Documentation

SECURITY POLICY

At **SKS Dream**, the safety and security of your personal information, account, and transactions is our top priority. We use advanced technology, strict processes, and best practices to ensure that your data remains safe and your shopping experience is secure.

1 Account Security

- Protect login credentials: username, password, OTP, and verification details.
- Do not share account information with anyone.
- SKS Dream will **never ask** for your password or payment PIN via call/email.
- Enable two-factor authentication (2FA) if available.

2 Data Protection

- Industry-standard SSL/TLS encryption for all transactions.
- Personal information (name, email, address, phone) is stored securely.
- We do **not sell, trade, or share** personal data with unauthorized third parties.

3 Payment Security

- Encrypted transactions processed via secure gateways.
- Full card details are never stored on our servers.
- Failed or suspicious transactions may trigger a temporary security review.

4 Website & App Security

- Firewalls, intrusion detection, and continuous threat monitoring.
- Measures in place to prevent unauthorized access and cyber threats.
- We recommend keeping your browser, app, and OS updated.

5 Fraud Prevention

- Active transaction monitoring for signs of fraudulent activity.
- Suspicious behavior may trigger account verification or order hold.
- Fraudulent activities are reported to law enforcement.

6 Safe Returns & Delivery

- Pickup agents are verified and trained to handle returns securely.
- Ensure packages are received by authorized persons at your address.
- Verify order before making Cash-on-Delivery payments.

7 User Responsibilities

- Use a strong, unique password and change it regularly.
- Log out from shared devices after each session.
- Avoid using public Wi-Fi networks for monetary transactions.
- Report suspicious activity immediately to SKS Dream Support.

8 Reporting Security Issues & Policy Updates

Reporting Vulnerabilities: If you notice any security vulnerabilities, suspicious messages, or unauthorized activity, contact us immediately at **https://sksdream.com/contact** with full details for prompt investigation.

Policy Updates: SKS Dream may update this Security Policy to improve safety and compliance. The latest version will always be available on this page. Continued use implies agreement to updated practices.
